No new data is available to update the national poverty distribution table (Paragraph 111 of the NNSSF) In terms of Paragraph 112 of the NNSSF. The table which was published in Government Gazette No. 40818 of 28 April 2017, therefore remains the basis for the national poverty targeting in 2018:

In terms of section 39(7) of the South African Schools Act, I hereby determine all learners in quintiles 1 to 3 (60% of the public school learners nationally) to be in no fee schools for 2018.

If funds are available, and after taking into consideration the possible funding implications this may have on other poverty related programmes involving no fee schools, the Provincial Education Department may offer Q4 and Q5 schools no fee status at least at the threshold level of R 1,316 voluntarily. In declaring these fee charging schools as no fee schools, the Provincial Education Departments (PEDs) need to ensure all these schools are informed that they will be declared no fee schools from 1 January 2018. PEDs also need to ensure that these schools have informed parents of the change.
