

SAELA

South African Education Law Association

23rd Annual international Education Law conference

Theme: Re-imagine education law

2 to 5 September 2018

Kruger National Park, Limpopo, South Africa

Education is one of the cornerstones of any society, but what if we can reimagine education... Reimagine how can education laws, regulations and policies give effect to the constitutional right to a basic education. In 2018 we are going to reimagine the dream for quality education within the framework of education law. Reimagine school leadership, management and governance... Reimagine codes of conduct, contract, discipline, unions, harassment and bullies... Reimagine how we measure quality, deal with social ills, develop gifted children and all other relevant aspects. Can you reimagine a society based on constitutional values actively taught in schools...?

The conference theme will be explored through a compilation of academic and non-academic papers, panel discussions and workshops. In this manner, SAELA intends to create a vibrant space for deliberation, learning and growing education law. Practitioners, officials, governors, academics, leaders and others interested in or working in Education or in Law are invited to present at and/or attend this conference.

Perfectly located, from here you can easily explore Mpumalanga with breath-taking scenery and a multitude of wildlife species. The hotel neighbours the White River Golf Estate and is within close proximity of Kruger, Mpumalanga National Airport and Nelspruit. The venue is close to the Kruger National Park, in north-eastern South Africa. The Kruger is one of Africa's largest game reserves. Its high density of wild animals includes the Big 5: lions, leopards, rhinos, elephants and buffalos. FUNCTIONS AND ACTIVITIES

SAELA values interaction and networking between delegates. The programme allows ample time for this during tea and lunch breaks. We have also added the social functions (Game drive, Meet and Greet and Braai) to further create opportunities for being together in a relaxed manner. Please take note of the following:

- Conference delegates are invited to join a game drive and meet and greet in the Kruger National Park on Sunday afternoon. These drives leave the venue before dusk and return after sunset. Search for grazers in the cool afternoon and predators starting their nightly hunts. Sunset is a time when night animals emerge and a drive during this period is the perfect opportunity to witness the beauty of the bush as it changes from day to night. Learn about fauna and flora from our expert guides and return to camp with a spot-lit night drive. This is an excellent opportunity to meet delegates in a relaxed atmosphere while enjoying a taste of South African wildlife. The *game drive* will take us from the conference venue into the Kruger, and include a stop-over for our *meet and greet dinner*, where after we return to the conference venue.
- Conference delegates are invited to an informal dinner (Braai) on Monday evening. A braai is a traditional South African social occasion where we gather round the braai outdoors and cook the food over an open fire. The meal is subsequently eaten outside by the fire. Delegates can enjoy this relaxed dinner while socially interacting with other delegates. The dinner is included in the conference package. Cash bar available.

If you wish to bring accompanying persons to any of the functions or activities, please indicate accordingly on the registration form.

TRANSPORT

SAELA does not offer any transport or make transport arrangements. Delegates are responsible to arrange and pay for their own transport to and from the conference.

The venue is situated in White River, and can be reached via the N4. It is about 350 km (4+ hours) drive from the OR Tambo airport. However, a closer airport, the Kruger Mpumalanga International Airport (Nelspruit) is a mere 15 km away from White River.

DELEGATE REGISTRATION AT THE CONFERENCE

Delegate registration will take place on Monday morning from 7:30 to 8:25, and Tuesday and Wednesday mornings from 8:00 to 8:25. During this time delegates can collect their conference bags, program, name tags etc. from the registration table. Please bring your Payment and Registration Confirmation with you.

Session Chairs: Kindly introduce each presenter (short biographical statements included in the program and abstract booklet) and ensure that all presenters strictly adhere to the time allocation. Afford each presenter his or her own 10 minutes of discussion and question time directly following the presentation. Do not combine discussion time for all of the presenters at the end of the session. Please start your session and the papers in your session exactly on time according to the program.
