**Die belangrikheid van  
karakteropvoeding in ons  
huidige nasionale konteks**

***The importance of character  
education in our present  
national context***

**Jaco Deacon**

# August 16

# 8/16 could be our 9/11

- Fokus op die probleem
- Doelbewuste aksie
- 'n Land se mense staan saam
- Herbou
- Vandag word daar steeds teruggekyk om weer met moed vorentoe te kan kyk!
- **Daar is gevolge vir elke daad**

# Prof Johan Landman (*Ethics Institute of South Africa*)

3 important factors to consider in the light of the Marikana events:

- **Respect for the law**
- **Respect for authority**
- **Leadership**

# Respect for the law

- Legal compliance does not mean I am doing the right thing
- Justice must not only be done, it must be seen to be done.
- “You cannot make men good by law: and without good men you cannot have a good society.”

**C. S. Lewis**

# Pre-amble to our Constitution

- **Heal** the divisions of the past and **establish** a society based on democratic **values**, **social justice** and fundamental **human rights**;
- **Lay the foundations** for a democratic and open society in which government is based on the will of the people and every citizen is equally protected by law;
- **Improve the quality of life** of all citizens and free the potential of each person; and
- **Build a united and democratic South Africa** able to take its rightful place as a sovereign state in the family of nations.

# Respek vir gesag

- ➡ Minagting vir gesag = anargie
- ➡ Respek nie net vir owerhede (staat/polisie) respek vir opvoeders, ouers, mekaar
- ➡ Hoewel respek verdien word, is respek vir gesag een van die pilare van 'n gesonde samelewing – dit is iets wat geleer (en gesien) moet word!
- ➡ Hoe praat ons? Hoe handel ons?

# Leierskap

- Visie vir Suid-Afrika
- Werklik mense positief te beïnvloed
- Verantwoordelikheid / verantwoording
- VSA studie – 49% voorbeeld en waardes
- “When the best leader’s work is done, the people say, “We did it ourselves!”

# Rooi lig

- EQUIP – 5 miljoen leiers in 150 lande:  
“Grootste uitdaging in ontwikkelende lande  
– leiers voel doel is bereik in sodra hulle ’n  
posisie beklee”
- Dienende leier
- Leiers wat beweeg

# Die ware toets kom as ons onder druk is!

**Jou waardes is die siel van jou  
leierskap en hulle is die  
dryfveer vir jou gedrag**
